

OAK BARRELS - 24 & 36 MONTHS MERCIER

CHARACTERISTICS

THE MERCIER CLASSIQUE RANGE IS WIDE AND DIVERSIFIED AND INCLUDES BOTH STANDARD BARRELS AND BARRELS WHICH ARE SPECIFIC TO THE BRAND.

Tonnellerie Mercier is a premier cooperage located in Barbezieux, France. Known for over 50 years a supplier of quality and consistent oak, Mercier maintains their standard range (and specialty ranges - See Affinity, Harmony, and F de Mercier ranges) through continual management of oak supply, finishing, toasting and construction.

The Standard (Transport) range refers to their Classique products which come in Transport or plain style, Chateau Ferree and Chateau Tradition styles.

The barrels are available in both 225L and 228L, 300L, 350L, 400L & 500L. This range features standard fire bending of staves and traditional toasts (Medium, Medium Plus, +/- heads).
